FEBRUARY 28, 2016 THIRD SUNDAY OF LENT

Road to Discipleship: Mercy, Care and Fruitfulness

What does a barren fig tree tell us about God's kingdom? Fig trees were common in Israel and an important food source. The prophets portrayed the deteriorating fig tree as a signal of desolation and calamity for Israel because of her unfaithfulness to God (Joel 1:7,12; Habakuk 3:17; and Jeremiah 8:13). Bad figs or a decaying fig tree was linked with evil deeds and spiritual decay. The unfruitful fig tree symbolized the outcome of Israel's unresponsiveness to the word of God, but it also contains a warning that we should not presume upon it. God gives us time to get right with him, but that time is now. We must not assume that there is no hurry.
